LIBRARIAN'S REPORT

Number of books in the library Feb. 1, 1938	4187
Number of books added by purchase during 1938	328

The larger number of books added this year included over 100 which the book committee was able to purchase, at a very small cost, from the private library of Oliver Jenkins, Concord.

Number of books loaned	4759
Number of all magazines loaned	1385

There was an encouraging increase in the circulation of both books and magazines in 1938. Books of varied subjects, for vacation reading and for school use, were borrowed from the New Hampshire Public Library Commission. Several new magazines will be added to the subscription list for 1939.

Respectfully submitted,

KENNETH F. MUZZEY,
Librarian.

AUDITORS' REPORT

We have examined the books and accounts, for the year ending January 31, 1939, of all the town officers and trustees of trust funds as required. We report, that to the best of our knowledge, we believe said accounts to be correct except for an error in report of town clerk in adding receipts from auto permits for 1938. The amount received from this source is \$632.83 instead of \$612.83, the difference will appear in February 1939 clerk's payments to treasurer, and in next year's town report.

Respectfully submitted,

KENNETH F. MUZZEY,
MARION M. BATCHELDER,
Auditors.

GRADUATION

Closing exercises for all the schools were held June 15, 1938, at Kezer Hall. Certificates of graduation were presented to the following pupils:

Carter:

Alice R. Nelson
Laura A. Colby

Center:

Mildred S. Briggs
Harry N. Lamprey

Uplands:

Donald C. Bolton
James H. McElroy, Jr.
Elsie S. Rollins

From this group of seven, six entered high school in September; Laura Colby going to Tilton School, Elsie Rollins to Belmont High; Alice Nelson, Mildred Briggs, Donald Bolton and James McElroy, Jr. to Penacook High. Margaret Pickard, who was graduated the previous year, also entered Penacook High.

BLANCHARD BUILDING

The Blanchard building was destroyed by fire early on the morning of February 16, 1938. This was a complete loss as no insurance was carried.

Arrangements were immediately made for the care of the pupils from this school in the Kezer building, and little school time was lost. With the two schools housed in this building classification of the pupils was possible. Miss Natalie Had-dock, the regular Kezer teacher, was given the pupils from grade one to four, and Miss Helen McCarthy, the regular Blanchard teacher, was assigned the pupils from grade five to eight. This arrangement worked out well and was greatly to the advantage of the children concerned.

On March 30, a public meeting was held for the general discussion of the problem which confronted the district due

to the loss of the Blanchard building. A committee was appointed to study the problem.

On May 14, a special meeting of the school district was held at the Town Hall, the Superior Court having granted permission to hold such a meeting, with the same authority as an annual district meeting. It was voted to construct and equip a new school in the Blanchard community, and the school board was authorized to borrow, in the name of the district, a sum not to exceed the sum of Thirty-five hundred dollars (\$3,500.00) for the purpose. The building committee appointed consisted of Francis P. Cass, Charles Gilman, Arthur Rogers and the members of the school board.

The Building Committee was greatly assisted by Mr. Paul E. Farnum who is connected with the State Office of the Commissioner of Education. Mr. Farnum gave very valuable advice in the matter of plans and specifications. A very satisfactory building was constructed during the summer and was ready for occupancy in September. The District has good reason to be proud of this building.

To finance the cost of construction the School Board borrowed from the Citizens National Bank of Tilton, three thousand dollars (\$3,000.00) in serial notes. The expenditures were as follows:

TEACHERS

Schools reopened in September with but one change in teachers. Mrs. Ida Hale Tenney of Boscawen succeeded Miss Helen Szalajeska at the Uplands school. Mrs. Tenney had previously had several years of experience.

Miss Elizabeth F. Houser died January 7, 1939. Miss Houser had been for many years the beloved and respected teacher at the Center school. She was faithful to the end. She was a strong influence for good in her school and in her community and town. Her memory as teacher and friend will long be cherished.

Mrs. Ruth Y. Cutting of Tilton has been assigned to the

Center school. Mrs. Cutting has had several years of very successful experience in the Laconia schools.

The following table shows the assignment of teachers, salaries and enrollment at each school:

Teacher	School	Salary	Enrollment
Helen L. McCarthy	Blanchard	\$850.	24
Catherine Curran	Carter	850.	26
Ruth Y. Cutting	Center	850.	27
Natalie Haddock	Kezer	825.	14
Ida Hale Tenney	Uplands	800.	11

The total enrollment at this time is 12 more than a year ago.

FINANCES

A special allotment of \$281.40 was made by the State to cover in part the loss of equipment and textbooks in the Blanchard fire. This made the total amount of State Aid received last year \$2,651.47.

The appropriation to be made at the March meeting as recommended by the School Board is approximately \$1,400.00 larger than the appropriation was made a year ago. This increase is largely explained by the necessity of meeting the note of \$1,000.00 which becomes due next August and the payment of interest on the district's indebtedness.

SUGGESTIONS

I recommend that the Carter School building be repainted before another school year. The blackboards in the school-room are quite inadequate and unsatisfactory. They should be replaced.

The only school building properly heated for cold winter weather is the Blanchard. The other schoolrooms should be equipped with jacketed stoves which would improve the situation somewhat.

The toilets at the Center school are not in proper condition and may need to be replaced.

I repeat my recommendation of a year ago. We need a music teacher or supervisor. As previously stated, the returns which we would receive for the necessary expenditure for such a teacher would be considerable and satisfying.

I wish to express my appreciation for the co-operation and assistance which I have received from many sources, including the children, during the last year.

Respectfully submitted,

CHANNING T. SANBORN,
Superintendent of Schools.
